**ORDER SETTING CASE
MANAGEMENT CONFERENCE**

Defendant.

/

Pursuant to FRCP 16 and Civil LR 16-2, **IT IS ORDERED** that a Case Management Conference will be called in this case before the undersigned **Thursday**, _____ at **3:30 p.m.** in Courtroom 6, 17th floor, at 450 Golden Gate Avenue, San Francisco, California. Parties are directed to file a joint case management statement one week prior to the conference.

IT IS FURTHER ORDERED :

1. Plaintiff is directed to serve, in accordance with the provisions of FRCP 4 and 5, copies of this order at once on all parties to this action, and on any parties subsequently joined. Following service, plaintiff shall file an appropriate certificate of service with the court.

2. Failure to serve the summons, complaint and this order on all parties pursuant to FRCP 4 and 5 shall be presumptive evidence of lack of prosecution and subject the complaint to dismissal under FRCP 41(b). Except in the unusual case, the court expects that by the time of conference, the answer or other responsive pleading shall have already been served and filed. In the event a party files a motion to dismiss pursuant to FRCP 12, the court will vacate the date of the Case Management Conference and will re-set it after ruling on the motion to

1 dismiss. The court discourages the parties from extending time for pleading or seeking extensions of
2 time beyond those provided in the Federal Rules.

3 3. Before appearing at the conference, the parties or their counsel, or both, shall meet
4 and confer about the substance of the action and the most expeditious means of resolving this litigation.
5 To prepare for the conference, the parties shall review and comply in all respects with the requirements
6 of Civil L R 16-9.

7 4. At the initial case management conference, the parties or at least one attorney of
8 record for each party must appear in person. See FRCP 26(f); Civ LR 16-10(a). The case management
9 conference shall be conducted informally and not reported unless one or more parties is not represented
10 by counsel. Failure of any party or counsel therefor to attend, prepare for and participate in good faith
11 in the conference shall be grounds for appropriate sanctions. FRCP 16(f).

12 5. No continuance of the conference will be granted except by order of the court upon
13 application of a party. The application shall be made seven days before the date of the conference and
14 supported by a declaration showing good cause. In no event shall any party request that the conference be
15 scheduled more than 60 days after filing of the answer by any party.

16 6. The parties are directed to comply with Civil L R 37-1(b) for presentation of a
17 disclosure or discovery dispute not resolved by the conference required by Civil L R 37-1(a).

FRCP 81(c).

1.3 Motions. Prior to noticing a motion, parties must check the scheduling information concerning available hearing dates and times. Such a letter need not contain argument on the dispute; and (2) a telephone conference with the court and all parties arranged through the courtroom deputy, or the court will contact the parties to resolve the dispute. The court prefers that discovery-related telephone conferences be reported but will proceed without a court reporter with the parties' consent.

PRO SE CASES (NON-PRISONER LITIGANTS ONLY)

For cases in which any party is not represented by a lawyer, the court further orders as follows:

2.0 Pro Se Handbook/Service of Process. A litigant bringing or defending a lawsuit without a lawyer ("proceeding pro se") must obtain from the Clerk's Office, as soon as possible after the case is filed, the Handbook For Litigants Without A Lawyer published by the court. Pro se plaintiffs are responsible for obtaining a summons from the clerk and for serving the complaint on all defendants in a timely fashion in accordance with Rule 4 of the Federal Rules of Civil Procedure. Instructions for doing so are set forth in Chapter 5 of the Handbook. Failure to comply with all parts of Rule 4 will result in dismissal of the case.

2.1 Service of Standing Orders. If a defendant is sued by a plaintiff proceeding pro se, defendant must serve copies of these standing orders at once upon plaintiff in accordance with the provisions of Federal Rules of Civil Procedure 4 and 5, and must file with the Clerk's Office a certificate reflecting such service.

2.2 Automatic Assignment To A Magistrate Judge. Each case in which one of the parties is proceeding pro se shall be assigned automatically to a magistrate judge for the purpose of: (1) conducting a case management conference and setting a schedule, pursuant to FRCP 16, for pretrial proceedings, and (2) hearing and determining any pretrial matter not expressly precluded from being heard and determined by a magistrate judge under 28 USC section 636(b)(1)(A); any matter so precluded shall be submitted to the assigned magistrate judge for a report and recommendation, except those matters that are "case dispositive" within the meaning of this court's General Order 42(1).
